

## BONNIE FAUCETT

Creator, Legacy Architects

Bonnie Faucett is a former Personal Family Lawyer® and estate planning attorney who created Legacy Architects®, the only cloud-based software that allows attorneys and clients to securely collaborate throughout every phase of the estate planning journey in a centralized digital vault. She is also the creator of Legacy Drafting, a service that has overseen the drafting of more than 5,300 estate plans. Throughout her career, Bonnie has personally helped more than 830 families with their estate planning while supporting more than 620 estate planning attorneys in saving time, increasing efficiency, and growing profitability. Her innovative solutions have freed attorneys to focus on serving clients while generating more than $12 million in additional revenue for participating firms.

Founder

## SCOTT SOLKOFF

### PFL Firm Leader, Solkoff Legal

Scott Solkoff is one of the nation's leading authorities on elder law and a Florida Bar Board Certified Specialist in Elder Law with more than 25 years of experience helping older adults, individuals with disabilities, and their families navigate life's most complex legal decisions. As founder of Solkoff Legal, P.A. and co-founder of Elder Law College, Scott has trained attorneys across the country to build thriving elder law practices while delivering compassionate, client-centered care. A past Chair of The Florida Bar's Elder Law Section, past President of the Academy of Florida Elder Law Attorneys, Fellow of the American College of Trust and Estate Counsel (ACTEC), and co-author of the leading Florida Elder Law Practice Guide, Scott is a nationally recognized speaker whose work has been featured in The Wall Street Journal, The New York Times, Kiplinger's, and The Washington Post.
